# Where is Guanaja?

16.486059, -85.831157

One of the 3 Bay Islands of Honduras;  
Next to the famous islands of Roatan and Utila;  
Guanaja is one of the most beautiful destinations  
in the Caribbean. Being mostly undeveloped  
and unexplored, Guanaja is nicknamed:  
"The Green Island".

10 Miles Long and 2.5 Miles Wide.

Located 20 Miles East of Roatan and  
20 Miles North of Mainland Honduras.

**Guanaja is NOT a tourist destination.**

Unlike many Caribbean islands, Guanaja is  
not commercially and touristically exploited.

As a remote and secluded destination we are  
visited by travelers who are seeking a more calm  
experience surrounded by nature, history, and culture.

With only a dozen cars and one short road,  
boat is the main method of transportation.

There's only a handful of restaurants and a  
few mercaditos. See an authentic Caribbean island.  
You will not find a t-shirt shop or crowds of tourists.  
You'll get the beach and dive sites to yourself.

Guanaja is one of the last hidden gems you can visit.

# About Hotel Guanaja

We see all of our guests as friends or family who are coming to visit.

Reopened Under New Management in 2019; We are a small family operated business, with a total of 20 beds in 10 units. We offer 7 Sea Front Cabañas and 3 Apartments as well as every island service, tour, or activity you can imagine... And some you can't. All rooms, facilities, and services have been renovated recently.

Located on the South East end of the island, the trade wind will assure you rest and NO BUGS. The turquoise waters are sheltered by the Mesoamerican Reef, the largest living reef in existence. The view offers spectacular daily, ever-changing landscapes that defy description.

Guanaja is a developing island in a developing nation. We support a better future for Guanaja through friendly business and environmental practices as well as strong involvement in local Social and Environmental Initiatives, Projects, and Sponsorships.

Our facilities also include a fully equipped Dive and Research Center, Marina and Dock, Boats, Bar, and Restaurant. Our services include Diving, Boat Tours, Snorkeling, Beach Days, Fishing, Hiking, and other Island Activities.

Our team emphasizes Friendliness, Quality Service, and are trained for Emergency Response.

The 1.5 hr ferry ride from Roatan to Guanaja is scenic and 'not bad at all'. It is the most affordable option that also offers a more reliable schedule and almost guaranteed availability. Flights are more vulnerable to delays and have limited seating/availability.
